

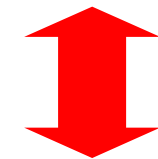

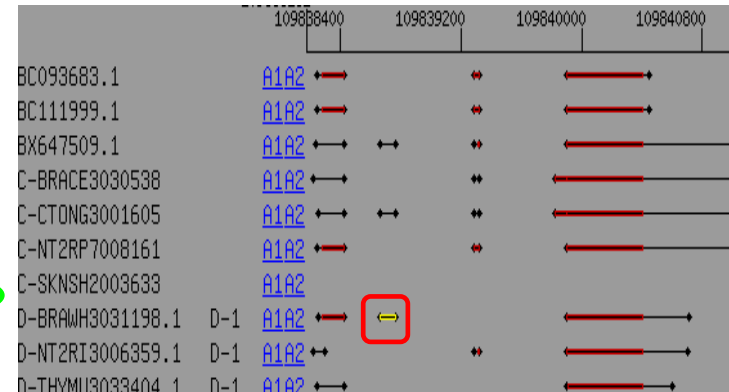

Fig2-12-1 Method of reference cDNA selection on mRNA variation viewer

Selected reference sequence is **BC093683.1**

The screenshot shows the 'cDNA annotation setting window' with the 'Reference cDNA' dropdown menu open. The selected option is 'BC093683.1'. A green box labeled 'Click' points to the 'Apply' button.

Selected reference sequence is **D-BRAWH3031198.1**

The screenshot shows the 'cDNA annotation setting window' with the 'Reference cDNA' dropdown menu open. The selected option is 'D-BRAWH3031198.1'. A green box labeled 'Click' points to the 'Apply' button.
